2	Program Name	Brief Program Description	Amount (\$)	Cash, In-Kind, or Both <sup>1</sup>	1-time or Ongoing <sup>2</sup>	Who is Served <sup>3</sup>	Program Initiator <sup>4</sup>	Partners <sup>5</sup>
3	1. Dana-Farber Mammography Van and Mammography Suite at Whittier Street Health Center	Launched as a joint venture between DFCI and the City of Boston in 2002, the DFCI Mammography Van provides digital screening mammograms and breast health education. Additionally, Dana-Farber operates the Mammography Suite at Whittier Street Health Center based in Roxbury, MA.	\$615,874	Both (80% Cash 20% In-Kind)	Ongoing	Priority populations include women 40 years of age or older who are low-income, elderly, immigrant, non-English speaking, or women of color or other minority backgrounds. Priority neighborhoods in Boston include Roxbury, Jamaica Plain, Dorchester and Mission Hill.	Started by DFCI and the City of Boston in 2002. DFCI has continued to fund and operate this program.	22 Boston-area community health centers and community based organizations in Roxbury, Jamaica Plain, Dorchester and Mission Hill.
4	2. Sun Safety Education and Screening Program	Provides free skin cancer prevention education and screening to community residents and those at highest risk for skin cancer.	\$144,473	Both (80% Cash 20% In-Kind)	Ongoing	All Boston residents, with the goal of reaching those at highest risk for skin cancer, including beach goers, lifeguards, and parks and recreation staff, among others.	DFCI	Community health centers, beaches, schools, and other venues in the greater Boston area, including Jamaica Plain, Roxbury, and South Boston
5	3. HPV and Associated Cancers Outreach Program	Provides medically accurate and culturally sensitive information about HPV vaccination and related cancer prevention that youth and parents need to make informed health decisions regarding the HPV vaccine.	\$40,000	Both (80% Cash 20% In-Kind)	Ongoing	At-risk youth in the Boston area, with a particular focus on students enrolled in Boston Public Schools.	DFCI, Team Maureen and Sociedad Latina	Team Maureen, Boston Public Schools Health and Wellness Department, Peer Health Exchange, Massachusetts Coalition for HPV-Related Cancer Awareness
6	4. Tobacco Treatment Program at Whittier Street Health Center	Provides individual tobacco cessation counseling to patients of Whittier Street Health Center in Roxbury, MA who are referred by their primary care provider.	\$40,000	Both (80% Cash 20% In-Kind)	Ongoing	Patients of Whittier Street Health Center seeking tobacco cessation support.	DFCI & Whittier Street Health Center	Whittier Street Health Center
7	5. Dana-Farber/Brigham & Women's Cancer Center Patient Navigator Program	Provides patient navigation services to address language, cultural, transportation, and other challenges in order to streamline diagnosis and treatment for patients seen in the gynecology and breast cancer programs at Dana-Farber and Brigham and Women's Cancer Centers.	\$120,000	Both (80% Cash 20% In-Kind)	Ongoing	Patients with abnormal findings, those at increased risk of developing cancer, or patients diagnosed with cancer whose socioeconomic status or limited English proficiency may serve as a potential barrier to accessing screening or follow-up care.	DFCI and Brigham and Women's Hospital	Boston-area community health centers and Boston Medical Legal Partnership.
8	6. Cancer Care Equity Program	The Cancer Care Equity Program (CCEP) was established in January 2012 to reduce cancer health disparities among diverse and medically complex patient populations by providing streamlined access to education, screening, rapid diagnostic testing, treatment and patient navigation services. The Cancer Care Equity Program is a partnership between Dana-Farber and Whittier Street Health Center, a community-based primary care center based in Roxbury, MA.	\$170,415	Both (90% cash-10% In-Kind)	Ongoing	Residents of Roxbury and surrounding neighborhoods who are patients of Whittier Street Health Center.	DFCI and Whittier Street Health Center	Whittier Street Health Center and its network of community-based organizations and local coalitions.
9	7. Center for Community-Based Research	The Center for Community-Based Research (CCBR) conducts research aimed at cancer prevention and control, with a particular emphasis on the development, evaluation, and dissemination of effective interventions designed to modify behaviors, policies, and practices to reduce cancer risk.	\$1,732,977	Both	Ongoing	Target populations include, but are not limited to: racial/ethnic minorities, lesbian, gay, bisexual and transgender individuals (LGBT), homeless women, blue-collar and food service workers, patients, and individuals who smoke.	DFCI	Dana-Farber/Harvard Cancer Center, U-Mass Boston, Sodexo, LLC, Boston Healthcare for the Homeless Program

10	8. Community Outreach and Partnerships	As a comprehensive cancer center, Dana-Farber provides community outreach and education about cancer prevention, screening, early detection and survivorship to residents in Boston's surrounding neighborhoods. Dana-Farber also supports partnership initiatives to create healthier environments for Boston residents. Examples of community outreach and partnership activities are described below.	\$160,834	Both	Ongoing	See below for specific information.	See below for specific information.	See below for specific information.
11	8a. Community Outreach and Partnerships	<b>Boston Fire Department:</b> Dana-Farber provides education about cancer prevention at the Boston Fire Department Annual Health Fair, including one-on-one sun safety education and biometric demonstrations of sun damage.		Both	Ongoing	Boston Fire Department	DFCI and Boston Fire Department	Boston Fire Department
12	8b. Community Outreach and Partnerships	<b>Madison Park Development Corporation (MPDC):</b> Dana-Farber provides health and wellness programming to residents and supports MPDC's community health improvement initiatives.		Both	Ongoing	Roxbury residents of MPDC	DFCI and MPDC	MPDC Community Action Department and Roxbury-area housing developments, community-based organizations
13	8c. Community Outreach and Partnerships	<b>The Faith-Based Cancer Disparities Network:</b> The faith-based cancer disparities network (FBCDN) represents nine congregations with over 12,000 congregants, and meets on a regular basis to identify and address health-related concerns pertinent to their congregations.		Both	Ongoing	Targets health disparities that exist in cancer care and treatment in the faith-based community with a special emphasis on Black church congregations.	9 Boston-area Churches, BMA & DF/HCC	Boston Black Ministerial Alliance and 9 Boston-area Churches
14	8d. Community Outreach and Partnerships	<b>Dana-Farber/Harvard Cancer Center Initiative to Eliminate Cancer Disparities (DF/HCC IECD):</b> The DF/HCC IECD develops and collaborates on programming in a variety of areas to address the unequal burden of cancer in partnership with the Faith-based Cancer Disparities Network and other community based organizations. The DF/HCC IECD is also the convener of the Patient Navigator Network, which meets on a quarterly basis to discuss barriers and solutions to ensure quality and effective navigation services.		Both	Ongoing	Faith-based community, communities of color, cancer survivors, and underrepresented minority students.	DFCI	Faith-Based Cancer Disparities Network and community-based organizations.
15	8e. Community Outreach and Partnerships	<b>Boston Breast Cancer Equity Coalition:</b> Launched in 2014, this cross-sector coalition seeks to eliminate the differences in breast cancer care and outcomes by promoting equity and excellence in care among women of all racial/ethnic groups in the City of Boston.		Both	Ongoing	All women in Boston, with an emphasis on non-Hispanic Black women who experience greater inequities in cancer care and outcomes compared to women of other racial/ethnic groups.	Boston Public Health Commission (BPHC) and DFCI	BPHC, DFCI, Boston-area hospitals and community organizations

1	INSTITUTION NAME:	Dana-Farber Cancer Institute	FINANCIAL YEAR: FY 2018					
2	Program Name	Brief Program Description	Amount (\$)	Cash, In-Kind, or Both <sup>1</sup>	1-time or Ongoing <sup>2</sup>	Who is Served <sup>3</sup>	Program Initiator <sup>4</sup>	Partners <sup>5</sup>
16	8f. Community Outreach and Partnerships	<b>Boston Alliance for Community Health (BACH):</b> As a steering committee member of BACH, Dana-Farber continues to work alongside fellow health care institutions, neighborhood coalitions and community development corporations to address the racial and ethnic disparities in health that exist in Boston.		Both	Ongoing	Boston residents, with an emphasis on underserved populations who have traditionally experienced disparities in health outcomes.	Massachusetts Department of Public Health (MDPH)	BPHC, Health Resources in Action (HRiA), local neighborhood coalitions
17	8g. Community Outreach and Partnerships	<b>The Conference of Boston Teaching Hospitals (COBTH):</b> Dana-Farber is an active member of COBTH, a coalition of 13 Boston-area hospitals who collaborate on community outreach and planning activities. In September 2018, COBTH launched the Boston CHNA/CHIP Collaborative. This group will conduct the first joint, citywide community health needs assessment and improvement plan for all of Boston for FY2019-FY2022. Dana-Farber serves on the Steering Committee for the Boston CHNA/CHIP Collaborative and co-chairs the Community Engagement Work Group in collaboration with BPHC.		Both	Ongoing	Boston residents	COBTH	13 Boston-area hospitals, BPHC, community-based organizations and HRiA
18	8h. Community Outreach and Partnerships	<b>Prostate Health Education Network (PHEN):</b> Dana-Farber and PHEN continue to partner on education, outreach and advocacy efforts and together sustain a prostate cancer support group for men of color that meets monthly at Dana-Farber.		Both	Ongoing	Racially/ethnically diverse men and members of prostate cancer support group	PHEN & DFCI	DFCI, community-based organizations, Prostate Cancer Consortium
19	9. Workforce Development and Community Programs	<b>Dana-Farber Office of Workforce and Community Development:</b> In collaboration with other Dana-Farber departments, the Office of Workforce Development connects underrepresented and underserved adults and youth to learning experiences and provides intensive and comprehensive opportunities for educational employment and mentoring.	\$423,450	Both (60% cash, 40% In-kind)	Ongoing	See programs below for specific information	DFCI and YMCA Training, Inc.	See programs below for specific information:
20	9a. Workforce Development and Community Programs	<b>Community Partnerships:</b> Dana-Farber partners with YMCA Training, Inc. and other community based pre-employment training programs to identify unemployed and underemployed skilled adults in the community. The program includes a combination of on-the-job training, classroom learning, career counseling, and other skill building activities.		Both		Unemployed and underemployed skilled adults in Boston	City of Boston & DFCI	YMCA Training, Inc.
21	9b. Workforce Development and Community Programs	<b>Educational Partnerships:</b> Dana-Farber partners with Boston-area high schools and colleges to encourage underrepresented students of color to explore and pursue careers in health and science. During Academic Year 2017-2018, 22 students participated in a college and career readiness training program. An additional 40 students were enrolled during the 2018 Summer Jobs program at Dana-Farber summer for a total of 62 student interns in FY18. Eligible students either attended or graduated from Boston Public Schools. During the 7-week summer program, students interned 30-hours per week and participated in college tours and career readiness workshops.  DFCI also participates actively in school-to-career programs with the Boston Private Industry Council (PIC). One such program includes Groundhog Job Shadow Day, where 13 students shadow DFCI employees to learn about careers in healthcare and specific job responsibilities, as well as the skills and training needed for these positions.		Both		City of Boston High School students and graduates.	City of Boston & DFCI	Fenway High School; Madison Park Technical Vocational High School – Allied Health and Human Services Academy; John D.
